### Technical Papers Presented / Published & Conferences (2012-13)

7. Adsorption studies of heavy metal cations on silica flat bed induced with microcrystalline cellulose gels; quantitative determination of cobalt and nickel by optical scanning densitometry ; Mohamed Najar P. A., RG.Sonali, MT.Nimje and KV.Ramana Rao *Separation Science Technology 2013, Taylor & Francis group; (USA) 48(12) 2013 pp. 1808-1817*

11. Quantitative Assessment of Bauxite Constituents at Trace Levels by Hyphenated Chromato-Optical Methods, P.A.Mohamed Najar*, Sonali R. Gondane, P.G.Bhukte, M.
