Ref : ~~002~~ /JNARDDC/S&P/2017/M-8

Date: 31.05.2017

As superscribed on the envelope.

विषय : Invitation of Quotation for “Lab Scale Multi Gravity Separator (MGS)” in 2 bid system for JNARDDC.

Dear Sir,

The Centre is interested in procuring “Lab Scale Multi Gravity Separator (MGS)” in 2 bid system for JNARDDC. As per details specification given in Annexure-A.

Sr. No.	Description	Qty.
1.	Supply of “Lab Scale Multi Gravity Separator (MGS)” in 2 bid system for JNARDDC. As per details specification given in Annexure – A & details Terms and Conditions given in Annexure - B	One

You are therefore requested to send your competitive offer for above in a sealed envelope duly superscribed on top of the envelope as” Quotation for “Lab Scale Multi Gravity Separator (MGS)” in 2 bid system for JNARDDC with Tender No. & Date. to the undersigned latest by **22nd June, 2017 (15 Hrs.)**.

Date of opening : 23.06.2017 (15.00 hrs)

Refundable EMD : Rs. 2,50,000/- only should be paid in favour of JNARDDC by way of D.D.

Tender Fees payable is Rs. 5000/- is non refundable.

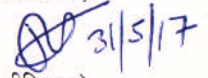

Bids should be contain 3 separate envelope

- 1) Technical Bid
- 2) Price Bid
- 3) EMD & tender Fees (if applicable)

Visit www.jnarddc.gov.in for complete details

सधन्यवाद ,

आपका आभारी,

(आर. श्रीनिवासन)

1/4

Technical Specification for Laboratory Scale Multi-Gravity Separator

A drum type centrifugal separator offering multiple "G" for recovery of heavy minerals from lean ores/minerals/industrial and mine wastes.

The laboratory unit offered should include the followings,

1. The unit is expected to be operated on a continuous basis handling the feed up to 500 kgs/Hrs of dry solids in the size range of 1 micron to 500 microns depending upon the duty.
2. The unit should be capable of recovery of fine heavies in the micron size range.
3. The volumetric flow rate handled should be around 0-10 Ltr/Min at 30% solids.
4. The machine should be provided with separate concentrate and tailing discharge launders.
5. Necessary provision should be provided for adjustment of slope (Tilt angle), numbers of strokes (Frequency), Amplitude, and rotation of drum speed to handle the materials of various types in the size of 1 to 500 microns.
6. Internal drum surface should have abrasion resistant polyurethane lining.
7. The machine should be powered with 220 - 240 Volt, 50 Hz, single phase motor.
8. The entire machine should be mounted on a sound/corrosion resistance frame structure and be portable in nature.
9. Spares: Two year's spares package
Peristaltic Pump:
Accurate feeding of the unit is critical. Therefore, the peristaltic pump operated at voltage 220 v - 240 v single phase, 50 Hz complete with neoprene tubing which can deliver up to 10 liters/minute via a variable speed control.
10. Mixer: For preparation of the slurry prior to feeding the centrifugal unit a suitable mixing unit to be provided.
11. Mixer Stand
Stand for mixers above. Complete with starter motor and adjustable support bracket manufactured in carbon steel-painted.

ANNEXURE – B

जवाहरलाल नेहरू एल्युमीनियम अनुसंधान विकास एवं अभिकल्प केन्द्र

स्वायत्त संस्थान, खान मंत्रालय, वाडी नागपुर

www.jnarddc.gov.in (07104-297014)

Standard Terms & Conditions of the Tender- 2017 (MGS)

1. **Technical bid, Price bid and EMD & Tender fees should be submitted in three (3) separate sealed envelopes failing which bid will be rejected.** The envelopes should be super-scribed with the Tender number, due date and name of the instrument and content.
2. **If the bidder is not a registered vendor of JNARDDC, then the bidder should have following documents while submitting the offer which is compulsory for vendor registration with JNARDDC.** (1) Shop & Establishment / Registration of company certificate / MSME-2006 (issuing certificate of registration for Micro / Macro / Small Scale Industries Certificates) / Certificate of Registration (2) PAN No. (3) I/T Returns (4) Account No. of Firm
3. Basic Price of the tendered item **should be quoted in one currency** only (i.e either in foreign currency or in Indian Rupees). Price bid containing the basic price in multiple currencies will be rejected. Currency conversion rate on the date of opening of price bid will be considered for determining the L-1 party. However, the exchange rate at the time of opening Letter of credit / TT will be applicable for final procurement in case of foreign supply.
4. The Refundable Earnest Money Deposit (EMD) and non-refundable Tender fees (if applicable) should be submitted alongwith the technical bid in favour of "Jawaharlal Nehru Aluminium Research Development & Design Centre, Nagpur". Bids without EMD and tender fees (if applicable) will be summarily rejected. However, EMD is exempted for firms registered with Central Purchase Organization or with Ministry of Mines or Micro and Small Enterprises (MSEs). But the registration certificate should clearly include the name of the item they are offering which are manufactured by them and not for selling products manufactured by other firms. Foreign suppliers directly quoting and participating in the tender will also be exempted from EMD and Tender Fee. However, Indian agents / representative quoting on behalf of principals shall pay EMD & Tender Fee. ***One EMD will be accepted against one equipment only, i.e. only one model will be considered against one EMD. (Each model has to be quoted in separate envelope with separate EMD). Ref. page-1 for EMD / Tender Fees.***
5. The Bid Security / EMD (as applicable) without interest will be returned to the unsuccessful bidder **within 30 days** of the award of the Contract / Job. The bid security/EMD of successful bidder will be treated as Performance security. The "**Performance Security Deposit**" will be released without interest after a period of **sixty days** beyond the date of completion of all contractual obligations of the supplier including warranty obligations and subject to certification of Indenter / Authorized representative of the Centre.

6. Parties submitting bids, should have proper **authorization letter** from the Original Equipment Manufacturer (OEM) and the same should be attached alongwith the bid **failing which bid will be rejected and EMD forfeited.**
7. Payment shall be released within 30 days after receipt of items in complete and good condition and complete installation & commissioning and certification of bill by Indenter / Authorized representative of our Centre for domestic supply. For foreign import, 80% payment will be made by irrecoverable Letter of Credit and balance 20% will be paid after complete supply, installation and commissioning and completion of all contractual obligations by the supplier including warranty obligations etc, if any. **For JNARDDC presently Excise duty is NIL & Custom duty is concessional ~ 5.15% as applicable.**
8. Deviation table should be enclosed to outline the deviation (if any) from the tendered technical specification in comparison to the quoted instrument / item. **Simply enclosing our spec sheet without providing any details may lead to rejection of the bid.**
9. **Testimonials – Minimum five (for the tendered equipment / materials / goods) / References.**
10. **Validity of the Tender should be minimum upto to three months.**
11. Warranty terms and delivery period should be clearly mentioned. Item should be **delivered upto JNARDDC, Nagpur. LD clause is @ 0.5% of PO value for each week of delay in supply.**
12. **Product leaflet of the item should be enclosed.** Cost should be **CIP upto JNARDDC, Nagpur.**
13. Disputes and Jurisdiction:- Any legal disputes arising out of any breach of contract pertaining to this tender shall be settled in the court of competent jurisdiction located within the city of Nagpur. Decision of Director will be final in all tenders. **For any further clarification the contract personnel shall be the AAO, JNARDDC.**
14. **Bidder should separately quote rates for minimum ten years consumables and spares.**
