JNARDDC authorised by the Ministry of Mines, Govt of India, to carry out the functions earmarked for Metal Recycling Authority (MRA) invites you to a brainstorming session on "Non-Ferrous Metal Recycling in India" on 17<sup>th</sup> September 2022 at Raipur, Chhattisgarh. This meeting will be attended by Officials from **Ministry of Mines, MoEF&CC**, etc.

Government of India is actively taking several initiatives to boost scrap recycling by implementing **Resource Efficiency & Circular Economy programs** to make the metal industry sustainable. The proposed meet is envisaged to share policymakers' vision and plans for paving the **way for future policy interventions** and **government support** for promoting recycling in the metal sector by addressing the stakeholders' concerns/views. The meeting provides a platform for policymakers and stakeholders involved in recycling aluminium, copper, lead and zinc to understand each other's requirements through discussions and deliberations.

We invite you to take part in this interactive one-day session where various deliberations will be emphasised on challenges, issues, recent developments, efforts by Government to promote recycling of aluminium, copper, lead and zinc. Your active participation will enable Government and Metal Recycling Authority to address the issues faced and pave the way for future recycling ecosystem in India.

Supported by: **MATERIAL RECYCLING ASSOCIATION OF INDIA**

# PROGRAM

17th September 2022

**V**enue

Courtyard by Marriott, Raipur

## One day Brainstorming Session on Non-Ferrous Metal Recycling in India *Organised by*

**Metal Recycling Authority, Ministry of Mines, Govt of India**

10:00 – 10:20	Welcome of Dignitaries and Lamp Lighting
10:20 – 10:40	Welcome address Dr A Agnihotri, Director, JNARDDC (MRA)
10:40 – 10:55	Non-Ferrous Metal Recycling Visions Joint Secretary, Mines
10:55 – 11:10	EPR for Recycling Industry Shri V P Mishra, Director, HSM Division, MoEF&CC
11:10 - 11:25	Shri P.K.Nimonkar, State Head Chhattisgarh Industrial & Technical Consultancy Centre
<b>11:25 – 11:45</b>	<b>Tea break &amp; networking</b>
11:45 – 12:00	Role of Standard & Standardisation in Circular Economy Shri V K Rawat, Metallurgical Eng Department, BIS
12:00 – 12:15	Skill Development for Circular Economy Mr.Ravishankar, Indian Iron & Steel Sector Skill Council
12:15 – 13:00	Industry Talk from Secondary Al, Cu, Pb and Zn MRAI, ASMA, FAIAUM, BNFMA, ICA
<b>13:00 – 14:30</b>	<b>Lunch break &amp; networking</b>
14:30 – 15:30	QA session
15:30 – 15:40	Vote of thanks By MRA
